Weston Gardens, a timeless garden venue curated for the outside couple. Located in Fort Worth off 820 and Anglin, our centralized location makes the gardens a convenient destination for weddings and special events. Once a private estate, developed in the 20's and 30's, Weston Gardens takes you back in time. Developed before air conditioning the entire site was intentionally designed for outdoor entertaining. A historical designation is only one of the unique aspects of Weston Gardens.
